President's Message

Rosanne Winter President, AAUW Marco Island

It's good to see friends returning to the Island, and to AAUW. We had a great turn out for our Convo and conversation at CJ's (see picture). Be sure to join us on December 5 at 5!

The election is over and AAUW National is already sending information about our Public Policy initiatives and how the new administration's policies might impact them. Be sure to log on to the National web-site to stay up to date on developments. You can launch from our web-site at [www.http://marcoisland-fl.aauw.net/](http://marcoisland-fl.aauw.net/).

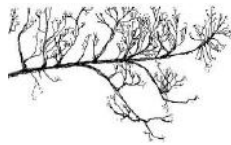

Congratulation to one of our members, Charlette Roman on winning a seat on the Marco Island City Council. Joining community leadership is always right in line with the AAUW mission.

Hope to see you all at our next meeting, November 21, 9 am at the United Church of Marco Island.

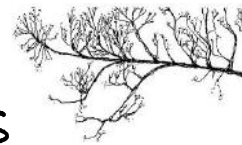

November General Meeting Speaker is Chief Mike Murphy

Fire-Rescue Chief Mike Murphy is celebrating his 45th year in the Fire-Rescue Service. He retired after 30 years with the City of Miramar Florida and has been working for the City of Marco Island since March 2001. He is the Governor's Appointee to two State Commissions representing all Fire Chiefs. TIME, TALENT & TREASURES

AAUW Marco fulfills its mission by funding scholarships, grants and donations from our only fund raiser, Time, Talent & Treasures (TT&T.) This marquee 10th Anniversary event will be celebrated at **Hideaway Beach Club on February 3, 2017**. Over the years we have generously donated hand knitted scarves, carved rocking horses, jewelry, trips to the airport, paintings, dinners, lunches, brunches and teas. We have brought friends to T, T & T and with our friends have bid generously. As we prepare for T, T & T, let us recall the difference in the lives of women and girls made by our donations. We are changing lives by donating our boundless time and talent. On this significant anniversary year, let's seek exciting treasures to donate and work to create irresistible meals for auction. It's time to network among AAUW friends to design gourmet dinners to put up for auction. It's time to invite our friends to share a table on February 3 at Hideaway Beach Club. It's time to remember the fun and friendship of helping young women succeed through our individual time, talents and treasures.
